TSYS Acquiring Solutions Launches All-in-One Point-of-Sale Solutions

Award-Winning Microsoft Retail Software with Quality Hardware Components Provide All the Advantages of High-End Retail Point-of-Sale Solutions at a Fraction of Cost

Tempe, Ariz., March 19, 2009 — TSYS Acquiring Solutions, an industry-leading payment processor, today announced the availability of two new all-in-one point-of-sale (POS) solutions to help small- and mid-sized retailers integrate store operations with the point of purchase. Offered as a complete business-in-a-box, each solution includes quality hardware components and award winning Microsoft software to help retailers manage every aspect of their business.

“Our new all-in-one POS solutions offer small- to mid-sized retailers POS capabilities that have previously only been available to larger merchants,” said Robert J. Philbin, president of TSYS Acquiring Solutions. “These one-stop hardware, software and processing solutions are simple to use and deploy, and help merchant acquirers increase their bottom lines while deepening merchant relationships.”

Value and Premium POS All-in-One Merchant Solutions

The value bundle includes an HP 3000 POS System, featuring a 17" flat panel monitor, Logic cash drawer, Star receipt printer, Metrologic handheld scanner, Logic pole display, keyboard and mouse. The premium bundle includes a Toshiba Tec all-in-one touch screen monitor and POS System, magnetic card reader, customer rear display, Logic cash drawer, Star receipt printer, Metrologic handheld scanner, keyboard and mouse. Retailers can choose either the value or premium bundle with Microsoft Point of Sale or Retail Management System (RMS) software. Each system is shipped directly to the retailer, ready to use with preloaded software and plug-and-play hardware. Expert software and hardware training is also included with every bundle purchased. Solution benefits include faster customer check out, and more efficient store inventory and reporting capabilities. When paired with the power and security of TSYS transaction processing, retailers can experience the advantages of a high-end retail POS solution at a fraction of the cost.

Turnkey Selling Program for Merchant Acquirers
